

PALLEMPALLI PRANEETHA REDDY

INTERIOR DESIGNER

Kadapa,Andhra Pradesh | pallempallipraneetha@gmail.com | 6303546500

SUMMARY

I am a creative and self-motivated junior architect with 6 months of experience at Team One India Pvt. Ltd., Hyderabad, where I have worked on architecture production and design. I have completed my B. Tech in DTDTP (Digital Techniques for Design and Planning) from Dr. YSR Architecture and Fine Arts University. Proficient in tools like AutoCAD, SketchUp, Maya, and Revit, she brings both technical expertise and a strong design sense. I have a quick learning ability and a passion for architecture, making me a valuable addition to any design team.

TECHNICAL SKILLS

AutoCAD	Enscape	GIS	3D Max
SketchUp	In Design	Figma	
Maya(Modeling)	Revit	Lumion	

PROFESSIONAL EXPERIENCE

Team One Private Limited, Hyderabad **Jan 2025 - Present**

- Assisted in the development of working drawings, elevations, and sections for residential villa projects, ensuring accuracy and alignment with design standards.
- Prepared detailed door and window schedules, contributing to smooth coordination between design and execution teams.
- Collaborated with senior architects in architectural production and project documentation, enhancing technical and practical skills in real-world design workflows.
